## *Together we Can Foundation Organization Profile*

**SLOGAN: "ZERO TOLERANCE TO SEXUAL EXPLOITATION AND ABUSE"**

### **WHO WE ARE ?**

Together We Can Foundation was founded in 2012 by a dedicated group of multicultural lawyers and physicians living in Northern and Southern KIVU of Democratic Republic of Congo, and Then initiative was expanded in Tanganyika and Haut Katanga Province.

This entire group of professionals in health and rights was united by a shared commitment to improve the health and living conditions of marginalized women and girls. Today, Together We Can Foundation brings a vast experience in laws, medicine, public health, and community development to engage in fighting for African women well-being.

### **WHAT WE DO ?**

We care, we empower, we transform. "Every Woman Deserves Good Health, Care and Protection". "They need empathy from you". Sponsor an African marginalized woman and little girls living in merciless and critical conditions of health. Founded in 2012, we are a nonprofit organization in the East African Community dedicated to the care of marginalized women and girls victims of Gender Based Violence. We impact the lives of hundreds of thousand women and girls by advocating for their sexual reproductive health and rights and boost up their socio-economic development through our main programs including health programs mainly HIV/AIDS programs, Health promotion, Technical Assistance Support, Prevention of Communicable diseases, Farming Programs and Entrepreneurship activities and Women's Development Cooperatives.
